

Aftertaste is a social enterprise empowering marginalised women and families to break the vicious cycle of intergenerational poverty through dignified livelihood, knowledge and exposure.

This Diwali, light up not just your home but also hearts with **Gifts that empower – Aftertaste's Diwali Collection.**

Illumination

These products are hand-painted and handcrafted by Aftertaste's artisans, giving them *dignity, recognition, and livelihood*. They can be customised with your branding and are available in the colours shown in the legend.
